1. Contractual object

1.1 These General Terms and Conditions (the “GTC”) shall apply to lease agreements concerning the provision of event, meeting and seminar rooms in the MC³ Main Campus Convention Center in Allschwil (the “**Leased Property**”) for the purpose of holding seminars, conventions, meetings, banquets, parties etc. by means of a Lease Agreement (the “**Lease Agreement**”).

1.2 The General Terms and Conditions applicable upon the conclusion of the Lease Agreement shall be exclusively applicable. All declarations and/or confirmations referred to in these General Terms and Conditions shall only be valid if they are given in writing (including by electronic signature such as e.g. DocuSign / Adobe Sign, although including email).

1.3 Contractual amendments shall only take effect after they have been confirmed in writing. Any unilateral amendments and/or supplements to the Lease Agreement (including the GTC) made by the Lessee shall be invalid.

1.4 The Lessor reserves the right to allocate the Lessee an event room other than the one specified. The newly allocated event room must be located at the MC³Main Campus Convention Center or at the Switzerland Innovation Park Basel Area MAIN CAMPUS, must be suitable for the anticipated number of persons indicated and must be made available to the Lessee under the same conditions. Such an amendment to the contract shall only become binding with the written consent of the Lessee.

1.5 Any definitions or defined terms contained in the Lease Agreement shall also apply to these GTC.

1.6 These GTC do not use female pronouns (she, her etc.) and use male pronouns instead (he, him etc.) as umbrella term.

1.7 The MC³ Main Campus Convention Center is open from Monday to Friday (excluding public holidays) from 07:00 to 18:00.

2. Conclusion of a contract, handover and return of event rooms

2.1 The lease shall be concluded by the signature of the Lease Agreement by the Lessee and the Lessor. These GTC and the other annexes to the Lease Agreement shall constitute integral parts of the Lease Agreement.

2.2 The Leased Property shall be made available to the Lessee on the rental / event date in proper working order and in clean condition. Access to the Leased Property shall be guaranteed to the Lessee either by means of remote activation by the Lessor or by a representative of the Lessor on site. The rental period during which the Leased Property can be used may only be extended with the written approval of the Lessor and additional costs are charged.

2.3 The use of the Leased Property outside the opening hours in accordance with clause 1.7 of these GTC is possible and will be charged to the Lessee at CHF 150.00 per hour.

2.4 The Lessee is obliged to return the event rooms, equipment, inventory items and furniture to the Lessor at the end of the rental or event period in their original condition, in proper working order and undamaged. The Lessor reserves the right to document the handover or acceptance of the Leased Property in the form of a report.

2.5 The Leased Property shall be used in such a manner as not to interfere with the other lessees of event rooms and the Switzerland Innovation Park Basel Area Main Campus and the utmost consideration shall be given to the other lessees.

3. Purpose

3.1 The Leased Property may only be used for the contractually agreed event purpose (specified in the online booking form). Extensions, restrictions and/or changes to the intended use are only permitted with the prior written consent of the Lessor.

3.2 The Lessee undertakes not to carry out any actions or pursue any purposes in the Leased Property that violate applicable law, public decency or public order.

4. Services provided by the Lessor

4.1 Ordinary cleaning is included in the rent under the Lease Agreement. No cleaning is carried out during the day, and hence the Lessee himself should ensure that the rooms are kept in proper order. In the event that the Leased Property is left unusually dirty by the Lessee and/or his participants, the Lessor may also charge the additional cleaning costs to the Lessee.

4.2 Coffee, tea and water are included in the rent. They shall be collected by the Lessee and/or his participants on a self-service basis from the designated areas.

4.3 Meals and catering may be arranged by the Lessor by prior agreement. A contract to this effect shall be concluded directly between the Lessee and the third party (catering provider) and the Lessor does not accept any liability for the food, drinks and services provided by the third party, even if it was introduced by the Lessor.

4.4 The Lessee is also obliged to pay for any services received from the Lessor by him and/or his clients, event participants, employees, advisors and/or any other third parties in relation to the intended purpose of the event (the "**Participants**") in addition to the rent payable under the Lease Agreement. The Lessee shall be jointly and severally liable towards the Lessor for any such services, even if they were requested by Participants.

5. Payment arrangements and advance payment

5.1 The Lessee shall receive an invoice from the Lessor after the date of the rental / event for the amount owed as rent (including VAT) along with any additional services received from the Lessor. Upon receiving the invoice, the amount owed shall be paid within 30 working days into the Lessor's bank account specified in the Lease Agreement.

5.2 The Lessor shall be entitled to request a reasonable advance payment at any time. The amount of the advance payment and the payment term shall be agreed upon in writing in the Lease Agreement.

5.3 In the event of any cancellation, the advance payment agreed upon shall be charged as a cancellation fee in accordance with the cancellation terms set forth below in clause 6.4. The advance payment shall be reimbursed in accordance with clause 6.4 in the event that the contract is terminated in good time.

6. Termination / cancellation terms

6.1 The tenancy relationship shall be limited to the rental / event period specified in the Lease Agreement (start of rental period / end of rental period) and shall end upon expiry of this period without any requirement for termination (Article 255 (2) of the Swiss Code of Obligations [CO]).

6.2 The Lessor shall be entitled to terminate the Lease Agreement extraordinarily without notice by unilateral declaration if there are justified grounds for doing so (including before the rental / event date). Should this occur, no compensation shall be owed by the Lessor. The following in particular shall constitute justified grounds:

- a.) force majeure events or any other circumstances for which the Lessor is not at fault, which make the fulfilment of the Lease Agreement impossible, including in particular any closures of event, meeting or seminar rooms in the MC³ Main Campus Convention Center that are necessary due to operational or legal reasons;
- b.) events that were booked using misleading or false information pertaining to material aspects of the contract (e.g. the particulars of the Lessee and/or the intended purpose or occupancy) and/or if the purpose or holding of the event is unlawful; as well as
- c.) if the Lessor has justified reason to assume that the purpose of the event might impair the seamless conduct of business and/or security of other lessees or the reputation of the Lessor.

6.3 If an agreed advance payment that is requested in accordance with clause 5.2 is not made on time, the Lessor shall also be entitled to terminate the Lease Agreement (or to withdraw from the Lease Agreement) unilaterally without notice (including before the rental / event date). In addition, the Lessor may terminate the Lease Agreement (or withdraw from the Lease Agreement) unilaterally without notice should he becomes aware of any circumstances indicating that the financial circumstances of the Lessee have deteriorated significantly following the conclusion of the contract, and in particular if the Lessee fails to pay any amounts due to the Lessor, with the result that the Lessor's payment claims appear to be in

jeopardy. No compensation shall be owed by the Lessor under either scenario falling under this clause (6.3).

6.4 The Lessee may not withdraw from the contract following the signature of the Lease Agreement and shall pay the gross rent agreed upon, including VAT, in full in accordance with the Lease Agreement. Under exceptional circumstances, the Lessee may withdraw from the contract before the rental / event date by a written declaration of cancellation in accordance with the terms set forth below. In order for this to occur, a return confirmation from the Lessor shall be required. In the event that a legally valid declaration of withdrawal from the contract is given in accordance with this clause (6.4), the Lessor charges the following cancellation fees (the "**Compensation**") to the Lessee which must be transferred by the Lessee to the Lessor's bank account specified in the Lease Agreement within 30 working days of receipt of the invoice (the Compensation payable shall be calculated with reference to the time when the written declaration of withdrawal from the Lessee is received by the Lessor):

Entire Meeting Center, Event Hall 1, and Conference Room 2, 3 and 4:

- a.) withdrawal 0-7 days before the rental / event date: 100% of the agreed gross rent including VAT;
- b.) withdrawal 8-14 days before the rental / event date: 75% of the agreed gross rent including VAT;
- c.) withdrawal 15-21 days before the rental / event date: 50% of the agreed gross rent including VAT;
- d.) withdrawal 22-30 days before the rental / event date: 25% of the agreed gross rent including VAT.
- e.) withdrawal 31 days or more before the rental / event date: no cancellation fees.

Meeting Room 5, 6 and 7:

- a.) withdrawal 0-7 days before the rental / event date: 100% of the agreed gross rent including VAT;
- b.) withdrawal 8 days or more before the rental / event date: no cancellation fees.

6.5 No Compensation or cancellation fee shall be charged by the Lessor in the event of valid and timely withdrawal from the contract in accordance with this clause (6.4) (i.e. written cancellation of the contract by the Lessee with reconfirmation by the Lessor 31 days or 8 days before the rental / event date, depending on the event room). Conversely, if the Lessee did not validly withdraw from the contract in accordance with this clause (6.4), the Lessor may charge the Lessee for the full amount of the gross rent agreed upon, including VAT, even if the Lessee did not use the event room.

6.6 A refund or remission of costs for services not used or as a result of premature termination of an event is not possible.

7. Duties of the Lessee

If no such proof is furnished, the Lessor shall be entitled to remove, at the cost of the Lessee, any decorations brought on to the premises or to prohibit them from being affixed.
