Our Services

Organization
We are happy to advise you on your event and look for tailor-made solutions. A support person will also be present during your event on site at the MC³ Main Campus Convention Center.

Catering
Self-service coffee, tea and water are included in the rental price. We organize the catering for you — from sandwiches to stand-up lunches to apéro riches.

Technical Installation
In all rooms you will find event technology, which allows everything from brainstorm meetings with whiteboards to a simple video conference to complex hybrid formats lasting several days.

We are also happy to organize a technician for you so that you can take care of your guests during the event.
